ICF to Host Investor Day in New York on May 25, 2022

FAIRFAX, Va., April 28, 2022 /PRNewswire/ -- ICF (NASDAQ:ICFI), a global consulting and digital services provider, today announced it will host an in-person Investor Day on Wednesday, May 25, 2022, in New York, New York. The event will begin at 2:30 p.m. ET.

Members of the company's leadership team and subject matter experts will present and participate in panels to discuss ICF's key growth markets within its government and commercial client sets, including IT modernization/digital transformation, public health, disaster management, utility consulting, as well as climate, environment and infrastructure. Analysts and institutional investors interested in attending are encouraged to contact ICF Investor Relations at icf@advisiry.com.

About ICF

ICF (NASDAQ:ICFI) is a global consulting services company with approximately 8,000 full- and part-time employees, but we are not your typical consultants. At ICF, business analysts and policy specialists work together with digital strategists, data scientists and creatives. We combine unmatched industry expertise with cutting-edge engagement capabilities to help organizations solve their most complex challenges. Since 1969, public and private sector clients have worked with ICF to navigate change and shape the future. Learn more at icf.com.

Caution Concerning Forward-looking Statements

Statements that are not historical facts and involve known and unknown risks and uncertainties are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Such statements may concern our current expectations about our future results, plans, operations and prospects and involve certain risks, including those related to the government contracting industry generally; our particular business, including our dependence on contracts with U.S. federal government agencies; our ability to acquire and successfully integrate businesses; and the effects of the novel coronavirus disease (COVID-19) and related federal, state and local government actions and reactions on the health of our staff and that of our clients, the continuity of our and our clients' operations, our results of operations and our outlook. These and other factors that could cause our actual results to differ from those indicated in forward-looking statements that are included in the "Risk Factors" section of our securities filings with the Securities and Exchange Commission. The forward-looking statements included herein are only made as of the date hereof, and we specifically disclaim any obligation to update these statements in the future.
